# What to consider as a university employee

---

- Director of Campus Safety
- Local law enforcement
- Report and incident collection
- Maintain up-to-date records of all properties and buildings operated by your office
- Keep record of any time you call emergency services on campus
- Understand campus and community resources available to victims
- Familiarize yourself with trainings and prevention initiatives

# Future changes and challenges

---

- Department of Education and its duty to levy fines
- *Jarkesy* case and the right to a jury trial for imposed fines on private colleges
- Hazing reports
- Inaccurate and underreported crimes
- Due process for the accused (*Doe v. Baum*)
- Geographical reporting ambiguities
- Cost and oversight

# Making Jeanne's life count

---

“The best education in the world is useless if a student doesn’t survive with a healthy body and mind.”
